Did you know...?

January 27, 1905

Peoria Herald Transcript

"The City Hotel, which is located in the new brick building on Sampson Street, charges \$1.50 per day. Myrtle Devore, now living in Delavan, worked part-time in the kitchen of the City Hotel at that time was paid \$.25 a week." The building stood on the northeast corner of S. Sampson and Walnut Streets.

In approximately 1910, it became "The New City Hotel." Meals were \$.25 and \$.35. It then became McQueen's Furniture, selling wallpaper and paint, as well.

The building later became Sharp's Store. Frank and Lester Sharp started Sharp Bros. Grocery. John Sanders took over Sharp Bros. in 1945. Many still remember Sharps, a grocery and dry goods store in business from approximately 1923–1964.

The building was torn down in 1965 to make way for The First National Bank of Tremont, today standing at that northeast corner of S. Sampson and Walnut Streets.

• Information is from archived articles and notes. If you have more information on this building, please contact Lori at 309-840-0094.

Tremont Commerce Association Meeting

The Tremont Commerce Association monthly meeting is Thursday, February 20th at the Community Center, 12:00 noon.

Our Speaker will be John Beintema, Business Outreach Manager for the Ameren Illinois Energy Efficiency Program. This program provides cash incentives to Ameren Illinois customers to help them make energy efficient equipment upgrades in their businesses, non-profit, private schools and public buildings. The main focus of the presentation will be on available incentives, how to apply and other resources that Ameren Illinois offers to help make buildings more energy efficient.

Option for Lunch with an RSVP by Monday February 17th to tremontcommerceassociation@gmail.com.

Robotics Open House

Team 2481 Roboteers, your local FIRST Robotics Team, would like to invite you to attend their Open House on February 29, 2020 from 8:30-11:00AM at Tremont High School.

This is a chance for you to view what the robotics team does and how they are progressing on their current robot for Infinite Recharge. Come for breakfast and see robot demonstrations, shop tours, and test your skills driving a robot. Additionally, they will have team presentations at 9:00AM and 10:00AM in the main gym.
